MASQUERADES FEATURE  
ANNUAL TAPS DANCEMiss Margaret Harrison is  
Awarded Prize for Most  
Original Costume

The annual Taps Ball, which is sponsored by the Staff of the Clemson College yearbook, was given last Friday night and was enjoyed by a large number of cadets and outsiders, the number of girls present reaching nearly the century mark. The dance which was featured by many and varied elaborate masquerade costumes and by the music furnished by Pert Hodges and his Clemson College Jungaleer orchestra, reached and surpassed the high plane which it has always held among the Clemson social events.

Miss Margaret Harrison of Abbeville, who wore a very elaborate Turkish costume, was awarded the prize for being the most originally costumed girl. Cadet Bill Boles, who masqueraded as a Spanish Cavalier, was selected as the most uniquely dressed boy.

The Jungaleer orchestra, Clemson's jazz band, composed of eleven radio artists and one talented crooning tenor, filled the new field house with peppy tunes and romantic melodies to add the Taps Ball to an already large group of extremely successful performances.

Among those attending the dance were:

Miss Mabel Abbott, Hartsville, with Cadet Fred Rush; Miss Lib Loney, Lancaster, with Cadet Jim Attaway; Miss Daugherty, Charleston, with Cadet Ray Geraty; Miss Clara-bell Hughes, Columbia, with Cadet L. D. Blake; Miss Mary Boyd, Agnes Scott, Ga., with Cadet A. D. Seward; Miss "Tootsie" Graham, Converse, with Cadet Jimmie Lawton; Miss Ruth Vaughan, Campus, with Cadet Hardy McLeod; Miss Olga Helps.

JR.-SR. BANQUET  
ONLY NINE DAYS OFF

Date of Annual Event is May 9

The annual Junior-Senior banquet and dance are scheduled this year on the evening of May 9th. Russ Bolin and his orchestra will furnish the music for both the banquet and the dance afterwards in the new gym.

Decorating of the dining hall has been going on now for over three weeks under the capable management of F. H. Crymes. The color scheme is black and white. Numerous silhouettes, made by Reid Hearn, will adorn the walls, and the bright lights will be shaded by Japanese lanterns. When everything is ready, the old hall will be beautiful and attractive setting for the colorful banquet.

Captain Harcombe, who is acting as advisor for the Juniors, will have charge of the meal and judging from the past feasts it will be a long remembered event.

Although only juniors and seniors can attend the banquet, the dance is open to all the cadets.

CLEMSON GLEE CLUB  
GIVES PROGRAM

Songsters and Jungaleers Entertained in Chapel Last Friday Night

The Clemson College Glee Club gave a very delightful program in the college last Friday evening. The two hour program offered to music lovers a wide variation, there being included selections by the entire club, numbers by the quartet, solos, and modern dance music by the Clemson College Jungaleers.

The club rendered its selections in a very pleasing and flawless manner. The quartet, composed of W. H. Trammell, R. N. Smith, F. H. Hendrix, and W. C. Crain, delighted the audience with several songs, their humorous selections being especially attractive. G. N. Cohstan and F. H. Hendrix sang solos which were greatly enjoyed. The Jungaleers, composed of eleven radio artists, had the audience beating time with heel and toe to a group of popular dance selections. "Robby" Smith delighted those present with his romantic crooning. "Dick" Veight came in for his usual share of blues singing.

Prof. W. L. Lippincott, accompanist and faculty director, and F. H. Hendrix, president and student director deserve much credit for assembling and presenting such a varied program.

MUNSON COMMENDS  
CORPS FOR SPIRITColonel Munson Attributes  
Success to Officers of Staff  
and Excellent Discipline of  
Corps

Following is a letter in which Col. Munson expresses his opinion of the annual War Department inspection, which was held last week:

The recent inspection of our Corps of Cadets, by Major Ralph C. Holliday, General Staff, U. S. Army, resulted most satisfactorily to all concerned. The Corps not only received a rating of "Excellent" but obtained an even higher percent grade than was awarded us at the inspection of last year.

The undersigned attributes this high state of proficiency to two general causes. First, to the genuine interest displayed by the officers and enlisted men who compose his staff of assistants and to the thorough and efficient manner in which each handled his course of instruction. Second, to the Cadets themselves, whose discipline is excellent and whose morale is superior. So long as these coveted qualities shall dominate the Corps just so long will the Corps remain, as it is now, well nigh invincible in all of its future undertakings.

Especially do I commend Cadet Colonel F. B. Farr for his untiring and successful efforts in maintaining a state of high spirit within the Corps, and to Cadet Color Sergeant J. W. Newman for the splendid exhibition drill rendered by members of the Junior Class Platoon, and to Cadet Captains R. G. Hodges of the Band, J. B. Rodgers of the Drum and Bugle Corps for the snappy appearance of their respective commands and the excellent rendition of music throughout the parade ceremony.

Because of duty well performed the Cadets of Clemson College are privileged to continue to wear the coveted star on their coats for the 16th consecutive year.

Please accept my sincere congratulations.

ALPHA ZETA CHAPTER  
INSTALLED HERENational Agricultural Frater-  
nity Installs Chapter at  
Clemson

The Alpha Sigma Fraternity was installed as the South Carolina Chapter of Alpha Zeta on Saturday afternoon, April 19, the installation exercises being held in the Clemson Library building. L. H. Dennis, High Chancellor and Thomas Cooper, High Censor, represented the High Council of Alpha Zeta and were in charge of the ceremonies. Messrs. G. A. Crabb, J. C. Morcock, Paul Taber, W. D. Mr. Crabb assisted in the initiation.

A banquet in honor of the occasion was held in the social room of the Methodist church after the installation. John Hudgens served as toastmaster. During the courses of a delicious menu, several delightful speeches were delivered. W. C. Nettles spoke on the subject "Alpha Sigma is Dead", outlining the history of Alpha Sigma. J. O. Rowell responded with "Alpha Zeta is Born", in which he told of the possibilities of the fraternity at Clemson. Speaking on the subject "Alpha Zeta, a National Fraternity", Mr. L. H. Dennis told of the work being done and welcomed the local chapter as the holy members of Alpha Zeta. Mr. Cooper spoke on "Alpha Zeta as a College Organization", citing its program for student life. INSPECTION OF CORPS  
IS GREAT SUCCESSMajor Holliday Commends  
Corps for Excellent Showing

The annual Corps Area inspection of Clemson's R. O. T. C. infantry unit, held by Major Ralph C. Holliday, General Staff, U. S. Army, ended Thursday afternoon with picturesque, full dress parade, immediately followed by a spectacular exhibition drill of the Junior Class Platoon, before a crowd of more than fifteen hundred visitors. With its successful close, the corps of cadets and military instructors drew a common breath of relief and pride, for every one felt that the blue star on the sleeve of the uniform, which marks a distinguished military school was sewed safely on the Clemson uniform for another year.

This inspection, which has been a matter of prime importance for several weeks began last Tuesday afternoon with the arrival of Major Holliday, who was the guest of Col. F. L. Munson during his stay on the campus. The inspection covered practically every phase of military instruction, both theoretical and practical, and the cadets in every case proved proficient in every task assigned them. The skillful manner in which the cadets applied their knowledge in practical demonstrations reflected the thoroughness of their training and the efficiency of their instructors.

A final official report on the inspection will not be rendered for some time yet, but Major Holliday commended the corps very highly. In view of this, it is generally conceded that Clemson will remain a distinguished military school.

T. E. Smith, and N. E. Watson, class of 1931.

Alpha Zeta is the only agricultural fraternity at Clemson, and keen interest has been shown by the agricultural students concerning the initiation. Clemson is honored in securing a chapter. Alpha Zeta is the only honorary fraternity covering the agricultural field at large. There are chapters in 38 states with over 9,000 alumni and active members.

## EDITORIAL

In the columns of this week's Tiger is reprinted a letter written by Colonel F. L. Munson, in which the Clemson Commandant commends the cadet corps of Clemson College for the splendid spirit and fine cooperation which was manifested during the recent annual War Department inspection of this ROTC unit. The spirit of the corps was as fine, and the entire body gave absolute cooperation in an effort to maintain the place for this college on the list of distinguished military colleges. As Colonel Munson has said, it was largely due to the spirit of the individuals comprising the corps that the inspection resulted so satisfactorily.

This fine esprit de corps that has given Clemson such enviable military prestige may wisely and advantageously be accorded the many other fields of endeavor which our school is entering. The success of all advances that Clemson may hope to make depends entirely on the efforts of the individual members of the student body.

### HOW DO CLEMSON STUDENTS STAND?

For the past few years and especially just recently, many publications have endeavored to determine just what the public opinion is concerning the eighteenth amendment to the National Constitution. Since it is very evident that the success or enforcement of any law depends upon the thought of the masses regarding the law, and since the Volstead Act has met with comparatively small success, various groups have endeavored to determine whether the alleged failure of the act is due to the existence of public opinion that disfavors the act.

Since the large number of college students of today comprise to a large extent the group who will be leaders tomorrow, it is wise that their opinion of such important questions as is this one be known. In this issue, there is a ticket on which each student may express his opinion concerning the question which is at present receiving so much attention. All students are asked to signify their honest opinion by checking one of the three solutions. The results of the poll will be announced in the next issue of this paper and will also be forwarded to The College Humor, which is gathering the opinions of students over the entire nation.

## JUNIOR PLATOON GIVES EXHIBITION

Major Holliday is Favorably Impressed

One of the most outstanding features of the annual inspection was

the exhibition drill given by the Junior Class Platoon. Under the command of Cadet Color Sergeant J. W. Newman the Juniors have developed a platoon that is unsurpassed by any previous one in the history of the college, Major Ralph C. Holliday who made the inspection at Clemson, commended the members of the platoon on the excellence of their performance, and expressed confidence

that they would have a very successful summer at Camp McClellan.

The platoon gave an exhibition drill at the State Fair, in Columbia, and made several trips with the football team during the past season. The drill here Thursday was the fourth exhibition drill given on the campus. The final one will be given during commencement, with the exception of the competitive drill to be held at Camp McClellan, Aniston, Ala., among al the R. O. T. C. units of the Fourth Corps Area.

The Junior platoons representing Clemson have never failed to accredit themselves, last year's platoon reaching the finals in which it lost to the Citadel. The members of the platoon have shown great interest in their organization and their prospects of winning the competition this year are very favorable.

At present the platoon is composed of four squads, but the number is to be increased to five squads within the next four weeks in order to insure four available squads for the competitive drill at Camp McClellan. The addition of this new squad offers Juniors who are not members of the platoon the chance to prove their eligibility by turning out for the practice with the platoon.

## SOPHOMORE COUNCIL

The Sophomore Council held its regular meeting in the club room of the YMCA, Tuesday evening, April 22.

Mr. T. L. Vaughan spoke on "Jesus' Ethics". In this talk he portrayed six great rules that Jesus followed during his life. Six rules are as follows:

1. Earnestness
2. Inwardness of Moral Life
3. Reverence of Persons
4. Religion as a Relationship
5. Unity of Life
6. Laws of Life

The meeting was dismissed with a word of prayer by W. C. Bowen.

## FRESHMAN RETREAT

The Freshman Council, under the leadership of Mr. P. B. Holtzendorff, left Saturday morning, April 26, for Blue Ridge, N. C., to hold their annual retreat.

Immediately after arriving the thirty men that made the trip hiked to the summit of "Hightop" mountain and held a sunset service. The group gathered around a bonfire Saturday night and held an interesting discussion. Each member expressed what the Council meant to him.

Sunday morning the delegation was in charge of services in Lee hall. The subject of discussion was "Friendship".

The group returned Sunday afternoon after a very enjoyable retreat in the mountains.

## CABINETS TRAINING AT BEAUFORT

Eighteen members of the old and new Cabinets including Messrs. Theo Vaughan and P. B. Holtzendorff left Clemson Thursday afternoon April 17 for a three day retreat at Beaufort, S. C.

The group stopped in Branchville and spent the night. The following morning the fellows resumed their trip to Beaufort. Arriving there at seven o'clock Saturday morning.

Cadet W. H. McLeod had made arrangements to stay in the Club House at Beaufort and upon arriving the men at once began to make themselves enjoy every possible moment of the retreat. From that moment on the retreat varied from fishing to discussion groups. Something to take every minute available.

The group returned to Clemson Sunday afternoon.

## JUNIOR COUNCIL

A meeting of the Junior Council was held at the home of Mrs. W. W. Fitzpatrick's Tuesday evening, April 22.

The council was fortunate in hearing Mrs. Fitzpatrick speak on the "Youth's World Peace Conference" which was held in Holland in 1928. Some forty-six countries were represented with a total of four hundred delegates. This conference, commonly known in Holland as the "Youth's Movement", was to establish understanding and peace between nations. No definite results were obtained from this conference; however a number of outstanding facts were brought forth. Among these were the need of much tolerance among nations, and the need of making friends for better understanding.

After telling the council the outstanding points of her trip abroad delicious refreshments were served.

## STATE STUDENT CONFERENCE

The State Student Council of South Carolina held its spring retreat at Presbyterian College April 18 and 19.

The Council is limited to presidents of college Y's, one Junior, and the college Y secretaries. This council holds three meetings each year one at Camp Adjah, one at Blue Ridge, and the other at a college of the state.

At this meeting, which W. H. Thames was the Clemson representative, a new constitution and by-laws were drawn up, and consequently it is the plan of the head of the YMCA in the state to make this body a valuable asset.

The kindness and hospitality extended by the college authorities made the delegates enjoy themselves in the highest degree.

## CABINETS ENJOY DINNER

The old and new YMCA cabinets enjoyed a delightful dinner at the home of Mr. and Mrs. Holtzendorff, Monday evening, April 21.

Twenty young men gathered around the table for one of the most delightful dinners of the year. The dinner was served in four courses. After dinner the cabinets gathered in the living room and heard a report of the State Student Council meeting by W. H. Thames.

Following the talk the remainder of the time was spent in discussing the budget and finance of the YMCA.

## ARMY TEXTILE MAN VISITS CLEMSON

Lt. Harry Kirsner of U. S. Army Quartermaster's Department Addresses Textile Students

Lieutenant Harry Kirsner, who is a textile specialist of the Quartermaster's Department of the United States Army, spent a few hours at Clemson Tuesday morning, April 29, when he addressed a group of students interested in textiles. After the address, in which the visiting officer explained the specifications for the fabrics, both wool and cotton, which are used by the Army and also explained why these specifications are made and how the fabrics are tested, the Lieutenant spent a short while discussing the different fabrics with members of the faculty and student body of the textile school.

Lieutenant Kirsner has visited a large majority of the American factories, both wool and cotton, and has also made an extensive study of foreign manufacturing processes.

The trick is to find your pipe and tobacco

YOU will discover the full pleasure of pipe-smoking when you hit on the tobacco that really suits you in the pipe that really fits you. Then you can light up and lean back and cross your feet on the mantel or wherever, and purr and smoke—how you can smoke!

The trick is to find your pipe and your tobacco. Nobody can find them for you, and until you find them you must go on groping in outer darkness—but have you tried Edgeworth?

Edgeworth may be just the tobacco you're looking for. It has a certain distinctive flavor that men like; it is slow-burning, cool—it will not bite your tongue; and it is rich with the savor, fragrant with the aroma, of fine old burley blended exactly right.

Check us up—try Edgeworth in a good pipe. We'll send you some helpful hints on pipes, and we'll even send you some Edgeworth, a generous free packet of it to try, for nothing but the coupon. That's meeting you more than halfway, isn't it? We know our Edgeworth!

Edgeworth is a careful blend of good tobaccos—selected especially for pipe-smoking. Its quality and flavor never change. Buy Edgeworth anywhere in two forms—"Ready-Rubbed" and "Plug Slice"—15¢ packet package to pound humid tin.—Larus & Bro. Co., Richmond, Va.

She—Just think of it! A few words mumbled by the minister and people are married.

He—Yes, and by George, a few words mumbled by a sleeping husband and people are divorced.

Bix—I see there's a report from Holland that concrete bases for German cannon have been found there.

Dix—Don't believe a word you hear from Holland. The geography says it is a low, lying country.

Tom—I've seen the girl I want to marry. I stood behind her at the ticket window this morning and she took seven minutes to buy a five-cent elevator ticket.

Alice—Did that make you want marry her?

Tom—Yes, I figured out that she could never spend my income at that rate.

Cor. Munson—Young gentleman, here is your honorable discharge. You ought to be proud of it.

Cadet—Indeed I am, Colonel. Why in civil life when I was discharged I was just fired.

Willie—Paw, what is discretion? Fater—Oh, that's only another name for lack of nerve, my son.

Girl (at Clemson hotel)—Well, your chair isn't nailed to the floor, is it?

Dr. Milford—Did that cure for deafness really help your brother?

Jones—Sure enough; he hadn't heard a sound for years and the day after he took that medicine he heard from a friend in New York.

Friend—What is the first thing you do when a man presents himself for consultation?

Dr. Feeley—I ask him if he owns a car.

## MANY ERRORS CONCEDE GAME TO TIGERS

Nine hits, nine errors, and nine runs, all in Clemson's favor was enough to send the Citadel Bulldogs scurrying to the showers, and to chalk up another win for the snarling Tigers.

Unbeaten until Saturday, the Bulldogs made nine fatal errors, and collected only five hits off of Nimmer's airtight pitching. The Tigers made three errors, but they didn't come at crucial moments, and Clemson won 9 to 6.

The second inning ended 3 to 2 for the Citadeel. When the third in errors to her credit and a paid-in-full receipt for each one. Clemson had made 5 runs.

Citadel made three more in her half of the third to draw up to 6-7. That ended the scoring for Cit-

adel, and the Tigers annexed one in the seventh and another in the eighth to complete its total of nine.

Score by innings:

Clemson	----	025	000	110	—9
Citadel	-----	033	000	000	—6

## SPORTS

## STATE TRACK MEET FRIDAY

## SPORTS

In just a few weeks Clemson will ring down the curtain of another active year of collegiate athletics. Baseball, track, golf and tennis are in full swing right now, but by the middle of May the campus will be devoid of any athletic practices. Even though this is true, next year's football prospects are looming mighty prominently in the background of summer activities. Most of the heavy work that the underclassmen will do this summer will be undertaken primarily for the conditioning such jobs offer future grid stars. Along towards the middle of the summer sportswriters the country over will start cudgeling their brains to figure such and such an institution a next fall winner. Such chatter invariably warms up collegiate enthusiasm, and then the summer pastime is on.

## STATE TRACK MEET

**WELL**, the big thing this week is the state track meet. The Tigers will be one of the five teams entered. This year Erskine is sending a team. A little predicting as to the probable outcome always ends in trouble so we'll leave the predicting alone and pick out the sure thing.

**THE WAY CAROLINA** showed up in the dual meet last week with the Tigers will make the meet interesting, if one considers that P. C. is also figuring on cutting all opposition to bits. But the fun is always the merrier when the company is large. Furman too has definite ideas of its own in certain events. This wholesale outlook of the other schools sure spells trouble for the Tigers. If the rest cop the events as they have so planned it looks like a bad loss for the Tigers. But at the state meet the Tigers have a peculiar chance of life, and always for the best.

**JUST HOW** this meet will turn out will be difficult to say, but the state as a whole is due for a surprise. The Tigers won't figure a certain percentage of wins and losses before they go to Clinton. They'll do that when the time for it occurs. What interests Clemson right now is what the other fellow is figuring on taking. If everybody comes in for his share of the places, the best thing to calculate is just who will win what.

**STARTING** with the sprints it is safe to say that most anything can happen in these. They are the events that coaches figure as speculative. The middle distances and the field events will receive most of the favorable comment as to the sure winners.

**P. C. RANKS** as the shining light in the dashes and the hurdles, with the Tigers impressive as middle distances and field contenders. Somewhere in both divisions, the Gamecocks and Furman will rake in several point-giving places. The century, the 220, and the 440 distances are events that nobody can exactly figure out. The half, the mile, and the two-mile are Tiger tallies. The field events are divided up with the Bengals marked as the strongest contenders. But all manner of first places mean little or nothing if the seconds and thirds are not counted in the calculations.

## WINS AND LOSSES

**LAST WEEK** marked an improvement along some lines at least. Up until Tuesday, the baseball team had won three and lost one game. The tennis team had won one and lost one, the track team had licked Carolina, but the golf team lost

both of its matches.

The Tigers beat Furman 7-6 in baseball, licked Bamberg, 8-5, Citadel 9-6, and lost to Carolina 18-2. That last one is awful to even print.

The tennis team defeated Erskine on Thursday and then lost to Carolina on Saturday. The golf team lost to Emory and University of Georgia.

The tracksters turned in a win over Carolina 64-62. That was a close decision with the meet as a whole very interesting to the spectators.

CLEMSON TRACKMEN  
DOWN BIRD OUTFIT

**Carson's Protegees Barely Eek Out Win Over Carolina 64 to 62**

Clemson's cinder path artists nosed out the Carolina Gamecocks 64-62, Saturday, April 26, in one of the closest track meets ever staged on Melton Field. The Birds won eight first places to six for the Tigers, but the Bengals clinched the meet by winning the greater majority of seconds and thirds. Clemson also won the relay, the most thrilling event of the meet, but the points did not count in the final score due to previous agreement.

The pole vault was also a featured event. Mike Brown, of Carolina, won after Ferguson, Clemson, had forced him to go 11 feet, 6 inches, the greatest height anyone has attained in the state this year.

The Tigers showed a decided superiority in the running events, but the Birds were stronger in the field events. Kennedy and Bostick, Carolina, tied for high scoring honors while Lineberger, Clemson, was third with 10 points. Harvin, Clemson, collected 9 points.

## The telephone looks ahead

Even as you are putting through your daily telephone calls, groups of Bell Telephone experts are calculating your telephone needs for five years, ten years, twenty years from now.

It is their work to discover from all available facts—not fancies—how each state, city and community will probably grow. These facts are reduced to forecast charts, precisely as an astronomer plots the course of a comet.

Thus central offices are planned years before they are actually built. Underground and overhead lines are laid out to fit future as well as present needs. Expansion of service is provided for.

Bell System planners virtually live in the cities of the future. They play a vital part in providing the best possible telephone service for the least possible cost.
